President's Message

Congratulations to the Curry College Class of 2004!

As President of your College, I am both pleased and proud to bring you the congratulations of the entire Curry College Community, and specifically the faculty and staff who have had the opportunity to serve and learn with you over the past years.

You have been students at Curry College during an exciting period in our history. This has been a period of great growth and success across all areas of the College~academic, physical, financial, and in our reputation and prominence. You should be proud of that, you have contributed to it. Thank you for being a part of it.

Curry College continues to grow in promise and prestige each passing year. As Alums you have a keen interest in the continued development and success of your College, and I would urge you to please stay involved with us. Keep the Alumni Office informed of your current contact information, and we'll do our best to make sure that you know what is occurring both at your College and with your classmates. You can email the Alumni Office at alumni@curry.edu.

Congratulations on all the success you have achieved to date. Best wishes for much continued success.

Sincerely,
Kenneth K. Quigley, Jr.

Amethyst Yearbook Dedication

Mike Randall

The Amethyst staff and the graduating class of 2004 would like to dedicate their yearbook to Michael Randall.

For the past three years, Mike has worked in the Office of Student Activities, and has been Director of Student Activities and Orientation since 2002.

Mike is a huge part of campus life. In overseeing the Student Activities office, he is largely responsible for almost all events that take place on campus. Mike also has his hand in many different areas of Curry life, from teaching *Experiential Learning* and *First Year Seminar*, to leading Student Government and serving as a role model for the leaders of tomorrow.

Whatever work needs to be done, Mike says, "I'll be there." Whether the job is big or small, Mike will help out in a pinch, from planning Alternative Spring Break, to making balloon animals for kids at Family Weekend.

As anyone who works closely with him knows, Mike is here for one reason ~ the community and students of Curry College. Each day Mike tries harder than the day before to make the experience of every student that comes through the front gate the best it can be.

Mike's office door is always wide open. He is always willing to answer any question the best he can, or just to chat about life. Mike's unconditional guidance, support, and love for everyone around him make him a campus favorite.

SUCCESS

To laugh often and love much.
To win the respect of intelligent persons and the affection of children; to earn the approbation of honest critics and endure the betrayal of false friends;
to appreciate beauty;
to find the best in others; to give one's self; to leave the world a bit better whether by a healthy child, a garden patch, or
a redeemed social condition; to have played and laughed with enthusiasm and sung with exultation; to know even one life has breathed easier because you lived. This is to have succeeded.

R.W. Emerson

Katie Cakes,

"Nothing lasts forever, not the mountains nor the seas, but the times we've had together, they will always be with me; the pages may crumble, the pictures may fade, but we'll never forget the friends we've made"~Unknown.

"And when he shall die take him and cut him out in little stars,
and he will make the face of heaven so fine that all the world will be in love with night
and pay no worship to garnish the sun" (Andrea "Shorty" Levy for Jordan and Jeremy)

"We met as total strangers and ended as lifetime friends. We shared a season of our lives,
but every season has to end"~ Unknown.

Jordan Vogel: The best roommate and friend anyone could possible ask for. For the short time Jordan and I actually got to spend with each other at Curry, there were many special moments that will never leave my heart and I will cherish them forever. He was the most understanding and easy-going person I have ever met. I learned many things from Jordan about life and for those things I am very thankful. On behalf of his mother, friends, and myself I would just like to say that you are in our hearts forever. I miss you~~Brad Rybko (Jordan's roommate, freshman year)

Colophon

Three hundred copies of this 240-page yearbook were printed by Jostens, Inc. out of their State College, PA plant in a limited run. Senior portraits were provided to us by McGrath Studios, Braintree, MA. Pictures were provided to us by either student submission, staff photographers, Justin Knight Photography, Scott Metzger Studios, or through Curry's Institutional Advancement. Printing representative was Tara Anderson.

The book was printed on Mead 100# gloss paper and distributed to all graduating seniors at no charge. These pages were created using Adobe Pagemaker 6.5 and Jostens Yeartech on a PC platform.

The cover was designed by Jostens design artist Rick Brooks and the Amethyst Staff. The name of the yearbook, the Amethyst, was originated this year by this staff. The name was picked because it is the February Birthstone, purple, Curry's main color.
